5 November 2018

Dear Tony

We would like to say a huge thank you to the members of the Manchester Claims Association for their generosity at their Annual Dinner, raising a fantastic £1,500 for Wood Street Mission. It was a pleasure to be able to thank everyone in person on the night, but please do pass on our sincere thanks to all involved.

Your help will enable us to support the thousands of children and families who need our help each year, with practical day to day items such as children's clothes, toys, bedding and toiletries, but also through our projects that work to improve children's life chances.

Projects such as our SmartStart initiative, which helps families with the costs of school. This year we were able to provide 3,199 children with smart new uniform in time for the new school year, thanks to our supporters. We also provided sports kit, school bags and stationery, all to help children participate fully and grow up to fulfil their potential. It is projects like these that we work to develop, to help break the cycle of poverty.

Our focus is now on our annual Christmas Appeal, this year focusing on providing toys, gifts and treats for children to open on Christmas Day, like any other child.

We really wouldn't be able to respond to requests for help from families and develop projects to improve the life chances of local children without the generosity of supporters like the MCA. Thank you so much for your continued support.

Kind regards

Des Lynch
